## PRAYER MINISTRY AGREEMENT

Reasons for Requesting Ministry: \_\_\_\_\_  
\_\_\_\_\_

### **Agreement:**

1. Little Sparrow Ministries is neither psychological nor medical professionals nor counselors. We do not charge for our time. This is a prayer ministry only. The process may take as long as three hours or more. Be prepared for an appointment of this length. Gifts to Little Sparrow Ministries are appreciated but not required.
2. We require that you complete the deliverance book, *Setting Yourself Free, Deliverance from Darkness*. During this process, please ask the Holy Spirit to help and guide you and bring key things to your mind. We request that you journal. Provide any information concerning your background that might be relevant. Be sure to note incidents that produced trauma, great disappointments, or hurts. When names are requested, it is only for prayer purposes – first names only. Since forgiveness of those who sinned against you is your greatest weapon in deliverance, we ask that you be willing to pray to forgive such persons. You must be willing to do this for good results.
3. Full disclosure and complete honesty are required. If you are unwilling to comply for any reason, or to pray out loud to forgive where necessary, please cancel your appointment. Pray and wait until you feel you are ready and reschedule at that time. Results will not be satisfactory and may even be hurtful in the long run if you are unable to deal with situations in depth and with complete honesty. There may be at least one other person present to pray and assist. Be prepared for this. Confidentiality will be maintained. Be assured that “we have heard it all” and nothing shocks or angers us. We are here to aid in a healing process.
4. If you are physically able, please fast and pray before your deliverance appointment. If you have mature Christian friends who know you have an appointment, ask them to fast and pray. It usually adds strength, guidance, and rapidity to the process.
5. We will pray with you several times. If your problem has to do with sin, past or present, we will pray with you only if you are willing to come to the place where you will forsake such action and promise to change your behavior. Be warned that after deliverance, if a person invites the problem back, the latter state of the person may be far worse than the original and much effort, energy, and time will have been wasted. You must agree to this or please cancel your appointment.
6. Please return this Agreement to Little Sparrow Ministries at the above address before your appointment or bring it with you on your first visit.

**I have read the above instructions and agree to fully comply.**
